

# What Can I Do?

## The Black Belles

Feeling so lonely, all the time  
I'm feeling so lonely every day  
What can I do to make you realize  
That I really want you hear today All I was complain  
And worry about the things that ain't even there  
You may find it funny, that I couldn't make you feel it every day  
Hey  
Yeah I am sorry, that I  
I wasn't able to make you stay, hey  
Just make you happy, but I  
I couldn't make you feel it every day  
Hey
