Joyner Lucas

[Intro]

It kinda feels like, I'm dyin' on the inside
It kinda feels like, I been tryna get by

[Pre-Chorus 1]

And I been this way since day one
I don't need no medication
No, I don't need no drugs
Or maybe I'm different, and maybe my ADHD got me trippin'
And maybe I'm just everything that you missin', yeah

[Chorus]

I feel like I'm dying inside
Why do I seem crazy?
Someone save me (Save me)
You can't blame me (Blame me)
It's my ADHD, yeah

[Verse 1]

My mind racin', I been paranoid
Overthinkin', maybe that's a void (Woo, woo)
Don't cut me off like I don't have a voice

Maybe I get on your nerves, I mean what I say (Oh yeah)
I been a man of my words, eon wide awake (Yeah, yeah)
Maybe a lil' disturbed, but that's just me
You don't bleed the blood I bleed
I wear my heart on my sleeve, nigga
