

# Cry to Me

## Skip Marley

(Intro)

Sometimes it's so hard to be happy.  
When all you do is hold on to your insecurities.  
The hurting heart is the most painful.  
So let it all out then, oh cry.

(Chorus)

Cry, cry to me, if you wanna.  
It's fine, fine by me.  
Cause I'll always be inside.  
Hard to leave, so cry, cry to me.

(Verse 1)

When will you emerge from your hideaway?  
From natural feelings that you won't escape.  
Maybe it's my mind drifting too far into space.  
And fly away to a better place.  
But there's no other spot I'd rather lay.  
So don't be scared, no, I won't hurt you (so cry).

(Chorus)

Cry, cry to me, if you wanna.  
It's fine, fine by me.  
Cause I'll always be inside.  
Hard to leave, so cry, cry to me.

(Bridge)

We're better together in any weather.  
If you're cold I'm your sweater.  
If it rains I'm your umbrella.  
No is one perfect, but to me you're perfection.  
What are flaws besides they're creation?  
You're gunna walk through the heartaches, walk through the pain.  
Don't feel alone in the shadow.  
You're not the one to blame.  
So if I could just ease your mind to see what you should be or to look and to watch and what to  
believe is real.  
Let it all go, it will make you feel better.  
So drop it all and cry to me if you want to.

(Chorus)

Cry, cry to me, if you wanna.  
It's fine, fine by me.  
Cause I'll always be inside.  
Hard to leave, so cry, cry to me.

Cry, cry to me, if you wanna.  
Fine, it's fine by me.  
Cause I'll always be inside (inside).  
(Cry to me).  
(So just, just cry, cry to me).

(Outro)

Cry, cry to me if you wanna.  
It's fine, fine by me,  
Cause I'll always be inside.
