

Echo

Incubus

[Verse 1]

There's something about the look in your eyes
Something I noticed when the light was just right
It reminded me twice that I was alive
And it reminded me that you're so worth the fight
Ooh yeah

[Pre-Chorus 1]

My biggest fear will be the rescue of me
Strange how it turns out that way, yeah

[Chorus]

Could you show me dear?
Something I've not seen
Something infinitely interesting
Could you show me dear?
Something I've not seen
Something infinitely interesting

[Verse 2]

There's something about the way you move
I see your mouth in slow motion when you sing
More subtle than something someone contrives
Your movements echo that I've seen the real thing
Oh yeah

[Pre-Chorus 2]

Your biggest fear will be the rescue of you
Strange how it turns out that way, yeah

[Chorus]

Could you show me dear?
Something I've not seen
Something infinitely interesting
Could you show me dear?
Something I've not seen

Something infinitely interesting
