

Love Me Harder

Ariana Grande & The Weeknd

Tell me something i need to know
then take my breath and never let it go
if you just let me invade your space
i'll take the pleasure, take it with the pain and defend the moment i bit my lip
baby in that moment you'll know this is
something bigger than us
and be a bliss give me a reason to believe it
cause if you want to keep me
you gotta, gotta, gotta, gotta, got to love me harder
and if you really need me
you gotta, gotta, gotta, gotta, got to love me harder
love me, love me, love me
harder harder harder
i know your motives and you know mine
the ones that love me i tend to leave behind if you know about me and choose to stay
then take this pleasure and take it with the pain
and defend the moment you bite your lip
when i get you moanin you know it's real can you feel the pressure between your hips
i'll make it feel like the first time
cause if you want to keep me
you gotta, gotta, gotta, gotta, got to love me harder (imma love you harder)
and if you really need me
you gotta, gotta, gotta, gotta, got to love me harder (I love me harder) love me, love me, love me
harder harder harder
love me, love me, love me
harder harder harder
so what do i do if i can't figure it out (figure it out)
you've got to try try try again
so what do i do if i can't figure it out
im gonna leave leave leave cause
cause if you want to keep me
you gotta, gotta, gotta, gotta, got to love me harder (imma love you love you love
you)
and if you really need me
you gotta, gotta, gotta, gotta, got to love me harder (love love me baby)
cause if you want to keep me
you gotta, gotta, gotta, gotta, got to love me harder
and if you really need me
you gotta, gotta, gotta, gotta, got to love me harder (imma do it do it do it)
love me, love me, love me
harder, harder, harder
love me, love me, love me

harder, harder, harder
