

Sacrilege

Yeah Yeah Yeahs

[Verse 1: Karen O]

Fallen for a guy
Fell down from the sky
Halo 'round his head
Feathers in our bed
In our bed, in our bed

Fallen for a guy
Who fell down from the sky
Halo 'round his head
Feathers in our bed
In our bed, in our bed

[Chorus: Karen O]

It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say

[Verse 2: Karen O]

Asked if I would try
To leave this all behind
Halo 'round his head
Burning in our bed
In our bed, in our bed

[Chorus: Karen O]

It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say

[Bridge: Karen O]

And I plead and I pray
And I plead and I pray
And I plead and I pray
And I plead and I pray

[Outro: Broadway Inspirational Voices choir]

And I plead and I pray

And I plead and I pray

It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say

It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say
It's sacrilege, sacrilege, sacrilege, you say

And I plead and I pray
It's sacrilege, sacrilege, sacrilege, you say
And I plead and I pray
It's sacrilege, sacrilege, sacrilege, you say
And I plead and I pray
It's sacrilege, sacrilege, sacrilege, you say
And I plead and I pray
It's sacrilege, sacrilege, sacrilege, you say
