

Roller Coaster

Toni Braxton & Babyface

[Verse 1: Babyface]

Today I got so mad at you, yeah
It's like I couldn't control myself
Girl, I was done, I was so through with you
But I know I couldn't love nobody else

[Verse 2: Toni Braxton]

Well I feel like you do
I'm so 'bout done with you
I'm sick and tired of going through changes
Cuz' I love you, I hate you
Don't want, but want to
Back and forth, and back
What should we do?

[Chorus: Babyface and Toni Braxton]

When love is like a roller coaster
Always up and down, eh
When love takes over your emotions
Spins you round and round?
When you don't, when you don't know what you're feeling
When you don't, when you don't know what is real
When love is like a roller coaster
Always up and down
And it goes back around

[Verse 3: Babyface]

Today I've said some things to you, babe
I don't like the way it felt, no
I've been giving you hell, been giving you so much attitude, yeh
Ah, I guess I really should check myself

[Verse 4: Toni Braxton]

Well, you started it first
We said we'd make it work
But here we are going through changes
But I need you, can't stand you
I want you, but damn you
Back and forth, and back

What should we do?

[Chorus: Babyface and Toni Braxton]

When love is like a roller coaster
Always up and down, eh
When love takes over your emotions
Spins you round and round (Ey)
(And it goes back around!)
When you don't, when you don't know what you're feeling
When you don't, when you don't know what is real
When love is like a roller coaster
Always up and down
Cause it goes back around!

[Bridge: Toni Braxton (and Babyface)]

We don't ever have to worry baby
Cause we gon' be alright (yes baby baby baby)
We ain't going nowhere darling (no say no)
Just hold on, for the ride!

[Chorus: Babyface and Toni Braxton]

When love is like a roller coaster
Always up and down, eh
When love takes over your emotions
Spins you round and round? (Like a merry go round)
When you don't know
When you don't know, when you don't know what you're feeling
When you don't, when you don't know what is real
When love is like a roller coaster
Always up and down
Cause it goes back around!
Roller coaster, always up and down
Up and down, round and round
Spins you like a merry go round baby
Your emotions spins you
