

Follow

Kygo & Joe Janiak

[Intro]

(Follow, I'll follow you)

[Verse 1]

Eyes so bright in this sunset town
Calls you in just to spit you out
Heart black and blue
Another sunset down

[Pre-Chorus]

Don't have to talk about it now
And if you need me, I'm around

[Chorus]

Oh, I don't know what you're going through
You don't have to walk alone, I'll follow you
All the highs and lows, I'll ride them with you
You don't have to walk alone, I'll follow you (I'll follow you)

[Post-Chorus]

You don't have to walk alone, I'll follow you (I'll follow you)

[Verse 2]

Blurry nights in a motel room
Morning light always comes too soon
You do your time
And I'll be by your side

[Pre-Chorus]

We got this life to work it out
And if you need me, I'm around

[Chorus]

Oh, I don't know what you're going through
You don't have to walk alone, I'll follow you
All the highs and lows, I'll ride them with you
You don't have to walk alone, I'll follow you (I'll follow you)

[Bridge]

Follow you, follow you, follow you, follow you
Follow you, follow you, follow you, follow you
Follow you, follow you, follow you, follow you
You don't have to walk alone, I'll follow you (I'll follow you)

[Outro]

You don't have to walk alone, I'll follow you (I'll follow you)
