

5 Leaf Clover

Luke Combs

[Verse 1]

Well I go to work every Monday
Get to do something I love
And I make it home every evening
To an angel God sent from above
Got an 8 point on camera from last year
That this season looks like a 10
I got a barn with a fridge full of cold beer
On the weekend it's full of good friends

[Chorus]

I know I'm a lucky man, but I ain't sure why I am
Cuz it ain't like anyone deserves the world in the palm of their hand
Now I hit my knees, thankful as can be
But the one thing I can't get over
How'd a guy like me, who'd have been fine with three
Wind up with a five-leaf clover?

[Verse 2]

I got a half ton that's parked in the driveway
My dog wags his tail when he hears
I grew up in a good place to be from
My folks still got a bunch of good years

[Chorus]

Now I know I'm a lucky man, but I ain't sure why I am
Cuz it ain't like anyone deserves the world in the palm of their hand
I've hit my knees, thankful as can be
But the one thing I can't get over
Is how'd a guy like me, who'd have been fine with three
Wind up with a five-leaf clover?

[Chorus]

I know I'm a lucky man, but I ain't sure why I am
Cuz it ain't like anyone deserves the world in the palm of their hand
I've hit my knees, thankful as can be
But the one thing I can't get over
Is how'd a guy like me, who'd have been fine with three
Wind up with a five-leaf clover?

[Outro]

How'd a guy like me, who could've wound up with weeds

Wind up with a five-leaf clover?
