Love Me Now

John Legend

Pulling me further
Further than I've been before
Making me stronger
Shaking me right to the core, oh
I don't know what's in the stars
Never heard it from above, the world isn't ours
But I know what's in my heart
If you ain't mine I'll be torn apartI don't know who's gonna kiss you when I'm gone
So I'm gonna love you now, like it's all I have
I know it'll kill me when it's over
I don't wanna think about it, I want you to love me nowI don't know who's gonna kiss you when I'm gone
So I'm gonna love you now, like it's all I have
I know it'll kill me when it's over
I don't wanna think about it, I want you to love me now
(Love me now, love me now)
Oh, oh, love me now, oh, oh, oh, yeah
(Love me now, love me now)
Oh, I want you to love me nowSomething inside us
Knows there's nothing guaranteed, yeah
Girl, I don't need you
To tell me that you'll never leave, no
When we've done all that we could
To turn darkness into light, turn evil to good
Even when we try so hard
For that perfect kind of love, it could all fall apartAnd who's gonna kiss you when I'm gone?
Oh I'm gonna love you now, like it's all I have
And I know it'll kill me when it's over
I don't wanna think about it, I want you to love me now
(Love me now, love me now)
Oh, love me now, oh, oh, oh
Love me now
(Love me now, love me now)
Love me nowOh I don't know how the years will go down, it's alright
Let's make the most of every moment tonightI don't know who's gonna kiss you when I'm gone
So I'm gonna love you now, like it's all I have
I know it'll kill me when it's over
I don't wanna think about it, I want you to love me now
I don't know who's gonna kiss you when I'm gone
So I'm gonna love you now, like it's all I have
And I know it'll kill me when it's over
I don't wanna think about it, I just wanna love you now

(Love me now, love me now)
Oh, oh, love you now, oh, oh, oh
(Love me now, love me now)
Love you now
