

# Without You Now (Franklin Remix)

Digital Farm Animals & AJ Mitchell

I let you go  
Got rid of everything and all  
I gave it up  
I gave it all for chasing gold  
I ran away  
I left you callin' every day  
I messed it up  
I messed it up, I should've known  
I've been up, I've been down  
Spent my love in different towns  
All this cash don't mean shit now  
Is this life without you now  
I've been up, I've been down  
Spent my love in different towns  
All this cash don't mean shit now  
Is this life without you now  
Without you now, now, now  
Without you now, now, now  
Without you  
I just can't escape it  
I've been tryna' blur you out, you out  
I could go hop on a spaceship  
And still I'd be seeing your face somehow(somehow),somehow(somehow)  
I'm drowning in the ocean deep  
Only you can save me now, now  
So close I can taste it  
I can feel your lips right now, right now  
I've been up, I've been down  
Spent my love in different towns(in different towns)  
All this cash don't mean shit now  
Is this life without you now  
I've been up, I've been down  
Spent my love in different towns  
All this cash don't mean shit now  
Is this life without you now  
Without you now, now, now (Without you now)  
Without you now, now, now  
Without you  
I've been up, I've been down  
Spent my love in different towns  
All this cash don't mean shit now

Is this life without you now
