

Tinfoil Boy

Jamie T

[Spoken Intro: Florence Bell]

True, you're my true
My hangman trick (Trick, trick)

[Verse 1: Jamie T]

He'll use the love to keep you here
He'll break your heart to make sure that I'm aware
Summer times, you feel like a trick
Like a hangman word that no-one ever gets

[Chorus: Jamie T]

The tinfoil boy, boy, boy, boy, boy, boy
He's a tinfoil boy, boy, boy, boy, boy, boy
For the tinfoil—
It's times like this I feel tricked into waking up

[Verse 2: Jamie T]

Summer times, you feel like a child
The bitter taste, it makes a mess inside your mouth
You swallow down to get it out
It's like a key, it sets you free
From all the mess and stress I've found

[Break: Florence Bell]

I don't think I know who you are anymore

[Chorus: Jamie T]

The tinfoil boy, boy, boy, boy, boy, boy
He's a tinfoil boy, boy, boy, boy, boy, boy
For the tinfoil—
It's times like this I feel tricked into waking up
Boy, boy, boy, boy, boy, boy
He's a tinfoil boy, boy, boy, boy, boy, boy
For the tinfoil—

[Bridge: Jamie T]

I don't think I'll ever make it up to you
And I don't think I'll ever make it up to you

[Chorus: Jamie T]

The tinfoil boy, boy, boy, boy, boy, boy
He's a tinfoil boy, boy, boy, boy, boy, boy
For the tinfoil—
It's times like this I feel tricked into waking up
It's times like this I feel tricked into waking up

[Break: Florence Bell]
Dragged me down, used me up
He cracked my lips, he burned in my chest
He slapped my ar—, slapped my ar—
He slapped my arms, he cracked my lips
I pray you never see me cry, I don't wanna give you the sati—
Dragged me down, used me up
He cracked my lips, he burned in my chest
He slapped my arms, he sucked my ki—
Bartered for like an accolade
He slapped my arms, he sucked my kiss

[Chorus: Jamie T]
The tinfoil boy, boy, boy, boy, boy, boy
He's a tinfoil boy, boy, boy, boy, boy, boy
For the tinfoil—
It's times like this I feel tricked into waking up
Boy, boy, boy, boy, boy, boy
He's a tinfoil boy, boy, boy, boy, boy, boy
For the tinfoil
