

# Love Will Lead You Back

Taylor Dayne

saying goodbye is never an easy thing  
but you never said, t hat you'd stay forever  
so if you must go  
well, darlin' i'll set you free  
but i know in time  
that we'll be togetheroh, i won't try  
to stop you now from leaving  
'cause in my heart i know  
love will lead you back  
someday i just know that  
love will lead you back to my arms  
where you belong  
i'm sure, sure as stars are shining  
one day you will find me again  
it won't be long  
one these days our love will lead you back  
one of these nights  
we'll i'll hear your voice again  
you're gonna sayoh, how much you miss me  
you walked out this door  
but someday you'll walk back in  
oh, darling i knowoh, i know this will be  
sometimes it takes  
sometime out on your own now  
to find your way back home  
love will lead you back  
someday i just know that  
love will lead you back to my arms  
where you belong  
i'm sure, sure as the stars are shining  
one day you will find me again  
it won't be long  
one of these days our love will lead you back  
ahhh...  
but i won't try to stop you now from leaving  
cause in my heart i know... oh yeah.  
love will lead you back  
someday i just know that  
love will lead you back to my arms  
where you belong  
i'm sure, sure as stars are shining  
one day you will find me agian  
it won't be long  
one of these days our love will lead you back  
hey yeah... love will lead you back

aomeday i just know that  
love will lead you back to my arms  
it won't be long...  
one of these days our love will lead you back  
ahhhhh...
