

# Runaway

## 3 Doors Down

Did you ever think about running away  
'cause I was thinkin' about leavin' today  
We'll follow forever where our hearts wanna go  
Maybe we'll end up somewhere that nobody knows our names  
Then things might change for the good I wanna be somewhere so far away  
To lie under the night at the end of another good day  
I can't tell you how long we'll be gone  
But as long as we're together then forever is never too long  
Too long, oh no  
Did you ever think about not comin' back  
Hoppin' on a train and we'll burn up the tracks  
We'll jump off somewhere that we don't know how to say  
Maybe hitch a ride from someone who can tell us the way  
To where these things might change for the good I wanna be somewhere so far away  
To lie under the night at the end of another good day  
I can't tell you how long we'll be gone  
But as long as we're together then forever's never too  
Where forever is never too long  
Not with you right here by me  
Maybe, maybe we'll just see  
Where this road will lead for us  
I wanna be somewhere so far away  
To lie under the night at the end of another good day  
I can't tell you how long we'll be gone  
But as long as we're together then forever's never too  
I wanna be somewhere so far away  
To lie under the night at the end of another good day  
I can't tell you how long we'll be gone  
But as long as we're together then forever's never too  
Forever is never too long
