

Love Is a Crime

Anastacia

Oooh Yeah
Chicago If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me to life
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me
Sentence me to life Some might say I'm guilty of loving the first degree
If the jury wants to lock me up and throw away the key
There's no greater punishment than what I face inside
Won't tamper with the evidence cause there's nothing to hide
He lives inside my heart
I'm in the middle too
You never had a clue
Unless you felt it too If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me to life
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me
Sentence me to life Better tell the truth, just let me plead my case
The thief who stole my heart from me I couldn't let escape
He's my only alibi, but I won't drop a dime
So how can I give up to you, my partner in crime
He lives inside my heart
I'm in the middle too
You never had a clue
Unless you felt it too If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me to life
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me
Sentence me to life You can take away my freedom
But you can't take my love from me
I won't die a lonely prisoner

'Cause my heart will set me free
Oooh ooh yeah
Whooh!
ChicagoI said
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me to life
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me
Sentence me to lifeAh come on
I said
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me to life
If love is a crime baby
I'd do my time
Whether it's wrong or right
You can sentence me
Sentence me to lifeI said love is a crime
