

# Angel Eyes

## Love and Theft

She likes whiskey with her water  
She starts dancing when the stars come out  
She ain't your typical preacher's daughter  
She'll leave you dreamin' yeah there ain't no doubt There's a little bit of devil in her angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide, there's a little bit of devil in her angel  
eyes A little bit of devil in her angel eyes  
Saturday night she's rockin' out by the bonfire  
Flirtin' from that tail gate and crankin' up the dial  
Drivin' me crazy with that kiss me smile  
There's a little bit of devil in those angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart, a country mile wide, there's a little bit of devil in her angeleyes  
There's a little bit of devil, in her angel eyes  
I can't stop wonderin' what it would feel like  
To hold her all night She's got that something  
That sexy innocence, she must be heaven sent  
There's a little bit of devil in her angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes  
There's a little bit of devil in those angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes  
There's a little bit of devil in her  
In those angel, in those angel eyes
