

Will You Be OK

702

Will you be ok
If i go away
Wish that i could stay
Say you'll be okBaby
I know that it hasn't been long
& yet it seems our likin'
Has grown into love
Baby
You know that we knew all along
That in a little while
I'll be gone
Still i need to know
If i go
Will you be ok
If i go away
Wish that i could stay
Say you'll be okBaby
I can tell by the look in your eyes
You're tryin' to hide what you're feelin' inside
But go on & cry
Baby
I know i can't promise you when
But we're gonna see each other again
Until then i gotta know if you're okBelieve me
I don't really wanna believe in
That you can always call me
When you need me
It'll be ok
It'll be ok
You know
It doesn't really matter where i go
Cuz i'll be keepin' you in my heart
So you're never far awayWill you be ok
If i go away
Wish that i could stay
Say you'll be okWill you be ok
If i go away
Wish that i could stay
Say you'll be okBelieve me
I don't really wanna believe in
That you can always call me
When you need me

It'll be ok
It'll be ok You know
It doesn't really matter where i go
Cuz i'll be keepin' you in my heart
So you're never far away Will you be ok
If i go away
Wish that i could stay
Say you'll be ok
(repeat till end)
