

# Please Don't Stop the Rain

James Morrison

I don't know where I crossed the line  
Was it something that I said  
Or didn't say this time  
And I don't know if it's me or you  
But I can see the skies are changing  
no longer shades of blue  
And I don't know which way it's gonna go If it's gonna be a rainy day  
There's nothing we can do to make it change  
We can pray for sunny weather  
But that won't stop the rain  
Feeling like you got no place to run  
I can be your shelter 'til it's done  
We can make this last forever  
So please don't stop the rain  
(Let it fall, let it fall, let it fall)  
Please don't stop the rain  
(Let it fall, let it fall, let it fall)  
Please don't stop the rain I thought that time was on our side  
I've put in far too many years  
To let this pass us by  
You see life is a crazy thing  
There'll be good time and there'll be bad times  
And everything in between  
And I don't know which way it's gonna go If it's gonna be a rainy day  
There's nothing we can do to make it change  
We can pray for sunny weather  
But that won't stop the rain  
Feeling like you got no place to run  
I can be your shelter 'til it's done  
We can make this last forever  
So please don't stop the rain  
(Let it fall, let it fall, let it fall)  
Please don't stop the rain  
(Let it fall, let it fall, let it fall)  
Please don't stop the rain Oh we're a little closer now  
And finally what life's it's all about  
Yeah I know you just can't stand it  
When things don't go your way  
But we've got no control over what happens anyway If it's gonna be a rainy day  
There's nothing we can do to make it change  
We can pray for sunny weather  
But that won't stop the rain

Feeling like you got no place to run  
I can be your shelter 'til it's done  
We can make this last forever  
So please don't stop the rain(Let it fall, let it fall, let it fall)  
Please don't stop the rain  
(Let it fall, let it fall, let it fall)  
Please don't stop the rain  
(Let it fall, let it fall, let it fall)  
Can't stop it, can't stop it, just can't stop the rain  
(Let it fall, let it fall, let it fall)  
Let it fall, please don't stop the rain
