

# If I Ever Leave This World Alive

## Flogging Molly

[Verse 1]

If I ever leave this world alive  
I'll thank ya for the things you did in my life  
If I ever leave this world alive  
I'll come back down and sit beside your feet tonight  
Wherever I am you'll always be  
More than just a memory  
If I ever leave this world alive

[Verse 2]

If I ever leave this world alive  
I'll take on all the sadness  
That I left behind  
If I ever leave this world alive  
The madness that you feel will soon subside  
So in a word, don't shed a tear  
I'll be here when it all gets weird  
If I ever leave this world alive

[Bridge]

So when in doubt just call my name  
Just before you go insane  
If I ever leave this world  
Hey I may never leave this world  
But if I ever leave this world alive

[Verse 3]

She says I'm okay, I'm alright  
Though you have gone from my life  
You said that it would  
Now everything should be all right
