

# I Want U

## Alison Wonderland

I know you've seen it,  
Don't try to beat it  
I want the pressure off  
But it continues  
Until I kiss you  
So let's just take it off  
We've waited all night  
So good, till sunlight  
Can you just take my hand  
It's been a sweet while, you know you must stay  
Just tell me where you stand I want you  
I-I-I Want you  
You know I like you  
I give it to you  
Would u just say it's on?  
Why did you come here?  
If you don't want to  
The feeling is just so strong  
Just give me one look,  
To give me some hope  
I wish, I wasn't in love  
Could you just stay here and let the time pass  
I'll write it in a song I want you  
I-I-I Want you  
I just Want you  
I just Want you  
I just Want you  
I just Want you  
Just give me one look  
Just give me one look  
Just give me one look  
Just give me one look  
Just give me one look  
Just give me one look  
Just give me one look  
Just give me one look  
Just give me one look I Want you  
I Want you I just Want you  
I just Want you  
I just Want you  
I just Want you I-I-I Want you
