

# Burning Bright

## Shinedown

[Verse 1]

I feel like there is no need for, conversation  
Some questions are better left, without a reason  
And I would rather reveal myself than my, situation  
Now and then I consider, my hesitation

[Chorus]

The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning, burning bright

[Verse 2]

I wonder if the things I did were just, to be different  
To spare myself of the constant shame of, my existence  
And I would surely redeem myself in my, desperation  
Here and now I'll express, my situation

[Chorus]

The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning bright

[Chorus]

The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning...

[Bridge]

There's nothing ever wrong, but nothing's ever right  
Such a cruel contradiction  
I know I crossed the line, it's not easy to define  
I'm born to indecision  
There's always something new, some path I'm supposed to choose  
With no particular rhyme or reason

[Chorus]

The more the light shines through me

I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning bright

[Chorus]

The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning...

[Outro]

I feel like there is no need for conversation
