

Banana Klip

Bali Baby

You already know what the fuck goin' on
Gang, gang, gang (absolutely)
Banana klip if that monkey bitch wanna bang
We are not friends, lil' bitch, I just want your chain (want your chain)
My choppa sang, didn't know you before, then you are not gang (yeah, you are not gang)
Banana klip if that monkey bitch wanna bang (grrah, grrah, grrah)
We are not friends, lil' bitch, I just want your chain (I just want your chain)
My choppa sang, didn't know you before, then we are not gang (bitch, you are not gang)
Yeah, you're not gang, I did the show, then I count the check (yeah, I count the check)
50 rounds, bitch, yes, I got aim
I got outta jail, and this shit the same (this shit the same)
And to me, she a side, to you she a main
I'm pimpin' baby, yeah, I'm playin' game (yeah, I'm playin' game)
Please, do not call me, I'm outta range (hello?)
Unless it about money, then make it rain (hello?)
Let's check, just makin' money make that pussy wet
I started rappin', now they're upset
She's been my bitch since we first met (first met)
Hot damn, I am goin' Super Saiyan
I am hotter than a pan (hotter than a pan)
Ask yo' bitch who I am (ask her who I am)
Taxin' niggas, Uncle Sam
Slimin' Niggas, Dirty Dan
I am poppin' like a can (poppin' like a can)
I'm rockin' out with no band (I'm rockin' out, bitch)
On top of the list is the plan
Rolled round like a Uber man (Uber man)
I got the tricks, yes, I'm Superman (bitch, I'm Superman)
Why are you cuffin' that bitch, are you stupid man?
All of my bitches about it, they do the plan (they do the plan?)
Banana klip if that monkey bitch wanna bang
We are not friends, lil' bitch, I just want your chain (want your chain)
My choppa sang, didn't know you before, then you are not gang (yeah, you are not gang)
Banana klip if that monkey bitch wanna bang (grrah, grrah, grrah)
We are not friends, lil' bitch, I just want your chain (I just want your chain)
My choppa sang, didn't know you before, then we are not gang (bitch, you are not gang)
