

Me & My Bitch (feat. Tory Lanez)

YG

I used to have a girlfriend
Now all I got is hoes
I was looking for a down girl
But she was fuckin' on the low, yeah Hair done, nails did, caramel complexion
Pussy stayed wet like she was mixed with Mexican
Love I invested in, Trust I invested in
So if she wasn't fucking with me I was stressing it
Wasn't no questioning, that pussy was fire
Wasn't no questioning that Bonnie and Clyde
Living in my momma house, but I let her move in
Momma thought I was trippin'
But really I was just choosin', that was my bitch
I was claiming her when we was fucking
My bitch, I wasn't using condoms no nothing
She was my love, she came first before my homies
Like fuck it, I'm 'bout to get your name tatted on me
Used to have a girlfriend,
Now all I got is hoes
I was looking for a down girl,
But she was fuckin' on the low And that was me and my bitch, yeah
Knowin' that these hoes ain't shit
Me and my bitch
And we was ridin' on that Westcoast shit, yeah I caught the bitch cheating
Damn, she was with him last weekend
What you mean you gon' call right back?
What you mean you ain't got time like that?
She fucked the player I knew
Ain't really fucked with his crew
I did a song with his brother
And she fucked with him too
All that shit she was talking
She wasn't really even 'bout it
And it made it even worse
When my homie told me 'bout it
I gave you your swag, told you to dress like that
I hit your spot, made you say "yes!" like that
And they ask me why I trust no bitch
Cause my ex had me feeling all embarrassed and shit
I used to have a girlfriend,
Now all I got is hoes
I was looking for a down girl,
But she was fuckin' on the low And that was me and my bitch, yeah

Knowin' that these hoes ain't shit
Me and my bitch,
We was riding on that Westcoast shit, yeahShe tryna get me back now
I heard her creepin', he was sneakin' through the back door
I was horny, I just wanted to fuck
I bust a nut in ten minutes, I was in a rush, yeah
She said it and she's sad now
She knows I could've been a dad now.
She text me like "I love you" yeah,
I text her back like "fuck you"yeah yeah yeah, yeah yeah yeah
yeah yeah yeah, oh noI used to have a girlfriend,
Now all I got is hoes
I was looking for a down girl,
But she was fuckin' on the lowThat was me and my bitch, yes
Knowin' that these hoes ain't shit
Me and my bitch,
We were ridin' on this Westcoast shitwoah, yeah
