## Devin Townsend Project

So the time is right  
So tell me if you wanna  
You should change it if you're gonna  
But I don't really know how  
I've already tried  
Involve I don't want to save my soul now  
I don't want to lose control  
And even if it takes a lifetime to learn  
I'll learn  
Don't fall in line  
If you're thinking that you're gonna  
You should maybe think about a  
Reason in your own mind  
You've already gone  
Evolve I don't want to save my soul now  
I just want to lose control  
And even if it takes a lifetime to learn  
I'll learn  
We learn Here's our defence  
Heroes left you to die  
You left me to die  
I don't want to save my soul now  
I don't want to lose control  
So even if it takes our lifetime to learn  
I'll learn  
We all learn
