

# Mothership Connection

George Duke

If you hear any noise

It's just me and the boys

Hit me (groovin')

You gotta hit the band

All right, all right, Starchild here

Put a glide in your stride and a dip in your hip

And come on up to the Mothership.

Loose Booty, doin' the bump. Hustle on over here.

If you hear any noise,

It's just me and the boys hittin' it.

You gotta hit the band.

Ain't nothing but a party, y'all.

Face it, even your memory banks have forgotten this

funk.

Mothership Connection, home of the P.Funk, the Bomb.

If you hear any noise,

It's just me and the boys, hit me

You gotta hit the band.

Doin' it in 3-D.

Let me put on my sunglasses here so I can see what I'm  
doing.

When you hear seats rumble you will hear your  
conscience grumble

Hit me

You gotta hit the band

You have overcome, for I am here.

Swing down, sweet chariot

Stop, and let me ride

(x6)

Doin' it up on the Chocolate Milky Way

What's up CC? Have you forgot me?

Are you hip to Easter Island? The Bermuda Triangle?

Heh heh! Well, all right. Ain't nothing but a party!

Starchild here, Citizens of the Universe

I bring forth to you the Good Time

On the Mothership.

Are you hip?

Sing, fellas!

If you hear any noise

It's just me and the boys

Hit me

You gotta hit the band

(x2)

Starchild here, doin' it in 3-D.

So good, it's good to me.

Hit the band!

If you hear any noise

It's just me and the boys

Hit me

You gotta hit the band

Swing low, sweet chariot, coming for to carry you home!

If you hear any noise

It's just me and the boys

Hit me

You gotta hit the band

(x2)

I don't think they hear you!

If you hear any noise

It's just me and the boys

Hit me

You gotta hit the band

Starchild here, citizens of the universe

Gettin' it on, partying on the Mothership.

When Gabriel's horn blows, you'd better be ready to go.

Swing low

Time to move on

Light years in time

Ahead of our time

Free your mind, and come fly

With me

It's hip

On the Mothership

Groovin'

Swing down, sweet chariot

Stop, and let me ride
