

# Gone

## The Weeknd

[Part I]

[Verse 1]

I got you  
I got a hold of you  
You said you out to see  
How we roll  
Well then take a seat, oh yeah  
Well, take a seat  
And watch your ass go

[Pre-Hook]

Break it, drop it, drink it, spill it  
Baby, touch your body, body  
You gotta taste it, feel it, I've been on it baby  
Don't you worry, you gotta keep up

[Hook]

Cause I've been gone, I've been gone  
I've been gone, I've been gone

[Verse 2]

Girl

Why don't you fuck what you heard, baby  
Cause I been gone  
You can see for yourself, little lady  
Girl, I lit a little something  
Something something, for you  
There's enough to pass around  
Yeah, yeah, yea yea yea yea

[Pre-Hook]

Oh well just  
Break it, drop it, drink it, spill it  
Baby, touch your body, body  
You gotta taste it, feel it, I've been on it baby  
Don't you worry, don't you worry, you gotta keep up

[Hook]

Cause I've been gone

I've been gone, I've been gone, I've been gone  
I've been gone, I've been gone  
I've been gone, I've been gone, I've been gone

[Breakdown]  
I've been gone

[Part II]

[Verse 3]  
Hope I make it home  
You'll be thinking of it  
I got the whole city on my side, tonight, tonight  
Watch us rock it out  
Watch us leave the ground  
After the show is done  
You can take me to yours  
But my lungs so muddy  
I love the way it tastes  
Drink it till I'm ugly baby  
Fuck me while I'm faded  
Feel that through my denims  
Baby girl, I gotcha  
I'm only 21 so I do it when I wanna  
Gone from the codeine, 'methazine, lean  
Got me feelin' kinda weak  
And it's kinda hard to breathe  
But you're turning 23, so I'll fuck you if you need  
In your birthday suit  
I'ma give you what you fiend, oh  
But I ain't taking off my black boots  
I'm fallin'  
Cause I'm numb from the neck down  
I'm sorry  
You won't know that I can't feel it  
I can win a fuckin' Oscar  
By the way I fuckin' hid it  
And you'll never fuckin' know  
I'll never fuckin' show it  
Except when I be wheezy from another cup of potion  
Dirty Sprite toastin'  
Fast life, fuck slow  
Low life for life

[Outro]  
Let the meds flow, let the night flow  
I'm so gone, let these meds flow  
I'm so gone, let these meds flow  
I'm so gone, I'm so gone

Woah, woah, oh  
Said I'm gone, gone, gone  
Woah oh  
I'm so gone  
Gone
