

# All The Stars

Kendrick Lamar, SZA

Love, let's talk about love  
Is it anything and everything you hoped for?  
I get a feeling on you  
I get a feeling on you This may be the night that my dreams might let me know  
All the stars are closer,  
all the stars are closer, all the stars are closer  
This may be the night that my dreams might let me know  
All the stars are closer,  
all the stars are closer, all the stars are closer  
Tell me what you gon' do to me  
Confrontation ain't nothin' new to me  
You can bring a bullet, bring a sword  
Bring a morgue, but you can't bring the truth to me  
Fuck you and all your expectations  
I don't even want your congratulations  
I recognize you far as confidence and  
Calculated promises all in your conversation  
I hate people that feel entitled  
Look at me crazy 'cause I ain't invite you  
Oh, you important?  
You the moral to the story, you endorsing?  
Motherfucker, I don't even like you  
Corrupted man's heart with a gift  
That's how you find out who you dealin' with  
A small percentage who I'm building with  
I want the credit if I'm losing or I'm winning  
On my momma that's the realest shit  
Love, let's talk about love  
Is it anything and everything you hoped for?  
I get a feeling on you  
I get a feeling on you This may be the night that my dreams might let me know  
All the stars are closer,  
all the stars are closer, all the stars are closer  
This may be the night that my dreams might let me know  
All the stars are closer,  
all the stars are closer, all the stars are closer Skin covered with an ego  
Get to talking like a end-forth, like a rebound  
No control, no off switch in the way that you bringing me down  
It's a turn on, get it away from me  
Know you mean wrong, keep away from me  
And it's all wrong, get it away from me, yeah  
I just cry for no reason, I just pray for no reason

I just thank for the life, for the day  
For the hours and another life breathin'  
How did it all go to feel good?  
You could live it all if you feel bad  
Better live your life  
We were running out of time Love, let's talk about love  
Is it anything and everything you hoped for?  
I get a feeling on you  
I get a feeling on you This may be the night that my dreams might let me know  
All the stars are closer,  
all the stars are closer, all the stars are closer  
This may be the night that my dreams might let me know  
All the stars are closer,  
all the stars are closer, all the stars are closer
