

All The Stars

Kendrick Lamar, SZA

Love, let's talk about love
Is it anything and everything you hoped for?
I get a feeling on you
I get a feeling on you This may be the night that my dreams might let me know
All the stars are closer,
all the stars are closer, all the stars are closer
This may be the night that my dreams might let me know
All the stars are closer,
all the stars are closer, all the stars are closer
Tell me what you gon' do to me
Confrontation ain't nothin' new to me
You can bring a bullet, bring a sword
Bring a morgue, but you can't bring the truth to me
Fuck you and all your expectations
I don't even want your congratulations
I recognize you far as confidence and
Calculated promises all in your conversation
I hate people that feel entitled
Look at me crazy 'cause I ain't invite you
Oh, you important?
You the moral to the story, you endorsing?
Motherfucker, I don't even like you
Corrupted man's heart with a gift
That's how you find out who you dealin' with
A small percentage who I'm building with
I want the credit if I'm losing or I'm winning
On my momma that's the realest shit
Love, let's talk about love
Is it anything and everything you hoped for?
I get a feeling on you
I get a feeling on you This may be the night that my dreams might let me know
All the stars are closer,
all the stars are closer, all the stars are closer
This may be the night that my dreams might let me know
All the stars are closer,
all the stars are closer, all the stars are closer Skin covered with an ego
Get to talking like a end-forth, like a rebound
No control, no off switch in the way that you bringing me down
It's a turn on, get it away from me
Know you mean wrong, keep away from me
And it's all wrong, get it away from me, yeah
I just cry for no reason, I just pray for no reason

I just thank for the life, for the day
For the hours and another life breathin'
How did it all go to feel good?
You could live it all if you feel bad
Better live your life
We were running out of time Love, let's talk about love
Is it anything and everything you hoped for?
I get a feeling on you
I get a feeling on you This may be the night that my dreams might let me know
All the stars are closer,
all the stars are closer, all the stars are closer
This may be the night that my dreams might let me know
All the stars are closer,
all the stars are closer, all the stars are closer
