

I'm On Fire

Rascal Flatts

[Verse 1]

Driving me crazy, baby
Playing me like a joke
You got me tripping while you're sipping on that Jack and Coke
Falling in love, so baby, just give it up, just give it up
I see you smiling, trying to make a fool out of me
I'm spending money on ya like I won the lottery
I want your love, baby, just give it up, give it up

[Bridge]

You got my heart cold stopping
Every time you walk into the room, yes you do
You got my big mouth dropping
Every time I stop and look at you

[Chorus]

Girl you're turning me on
Better sound the alarm
Cause this whole place is going up
Girl you got the heat on
With your glass half gone
What you got is so hot to the touch
You're burning up and
I'm on fire, I'm on fire, I'm on fire

[Verse 2]

Shot you a look and I took you away from the crowd
This place is crazy, baby, tell me can ya hear me now
I want your love, baby, just give it up, just give it up

[Bridge]

You got my heart cold stopping
Every time you walk into the room, yes you do
You got my big mouth dropping
Every time I stop and look at you

[Chorus]

Girl you're turning me on
Better sound the alarm
Cause this whole place is going up

Girl you got the heat on
With your glass half gone
What you got is so hot to the touch
You're burning up and
I'm on fire, I'm on fire, I'm on fire

Girl you're turning me on
Better sound the alarm
Cause this whole place is going up
Girl you got the heat on
With your glass half gone
What you got is so hot to the touch
You're burning up and
I'm on fire, I'm on fire, I'm on fire

[Outro]

Driving me crazy, baby, playing me like a joke
You got me tripping while you're sipping on that Jack and Coke
Falling in love
