

Favorite Song (feat. Common)

Colbie Caillat

I wanna be your favorite song
You can turn it up, play me all night long
I wanna be your favorite song
La la, la la la, la la, la la We on our way back, we on the play back
We on some new plus old, never change that
We on the new tip, good music
We see the pen and the paper, we gonna use it It takes some late nights to get them bright lights
We keep rockin' them songs to live that good life
I do it for you, I do it for me, we break it down
Colbie, tell them the story Listen, can you hear me?
Am I comin' in on your frequency?
I got a story, subject of the plot, you and me
When you're sleepin' and when you're wakin'
And when you're feelin' good
I'll be the thing that you wanna sing back
Stuck in your head like I knew you would I wanna be your favorite song
You can turn it up, play me all night long
I wanna be your favorite song
La la, la la la, la la, la la I wanna be your melody
Flowin' through your head when you think of me
I wanna be your favorite song
La la, la la la, la la, la la You'll be singin' like
Turn it up, turn it up
You'll be singin' like
Baby, can you feel me?
I'm the kick drum that gets your heart to beat
I gotta have you near me
You can count me in to every song I sing When you're sleepin' and when you're wakin'
And when you're feelin' good
I'll be the one that you want to come back
Stuck in your head like I knew I would We on our way back, we on the play back
We on some new plus old, never change that
We on our way back, we on the play back
Play back, play back, play back I wanna be your favorite song
You can turn it up, play me all night long
I wanna be your favorite song
La la, la la la, la la, la la I wanna be your melody
Flowin' through your head when you think of me
I wanna be your favorite song
La la, la la la You'll be singin' like
Turn it up, turn it up
You'll be singin' like

Turn it up high
Girl, the songs you sing
They my favorite things
You stay in my dreams
Something supreme
Love is the key and it's major like C
Common and Colbie, I'm dustin' off the old me
Like an old LP, we call them oldies
In your melodies I'm hearin' things you never told me
We stay in tune with each other
In our room we discover new ways to do covers
No matter how they dub us
We should stay true to the trust
And the winner of the best duo is us
I wanna be your favorite song
You can turn it up, play me all night long
I wanna be your favorite song
La la, la la la, la la, la la
I wanna be your melody
Flowin' through your head when you think of me
I wanna be your favorite song
La la, la la la, la la, la la
You'll be singin' like
Turn it up, turn it up
Turn it up, turn it up
You'll be singin' like
Turn it up, turn it up, y'all
All I wanna, all I wanna, all I wanna say is
I just wanna sing to you every day
All I wanna, all I wanna, all I wanna say is
La la, la la la
All I wanna, all I wanna, all I wanna say is
I just wanna sing to you every day
All I wanna, all I wanna, all I wanna say is
La la, la la la
