

Without You Now

Digital Farm Animals & AJ Mitchell

[Verse 1]

I let you go, got rid of everything I know
I gave it up, I gave it all for chasin' gold
I ran away, I left you callin' every day
I messed it up, I messed it up, I should've known

[Chorus]

I've been up, I've been down
Spent my love in different towns
All this cash don't mean shit now
Is this life without you now?
I've been up, I've been down
Spent my love in different towns
All this cash don't mean shit now
Is this life without you now?
Without you now, now, now
Without you now, now, now
Without you

[Verse 2]

I just can't escape it
I've been tryna blur you out (Whoa), you out (Whoa)
I could go hop on a spaceship (Zoom)
And still I'd be seein' your face somehow (Somehow)
Somehow (Somehow, whoa)
I'm drownin' in my ocean deep
Only you can save me now, now (Now)
So close I can taste (I can taste)
I can feel your lips right now (Right now), right now

[Chorus: AJ Mitchell]

I've been up, I've been down (I've been down)
Spent my love in different towns (In different towns)
All this cash don't mean shit now (Oh)
Is this life without you now?
I've been up, I've been down
Spent my love in different towns
All this cash (All this cash) don't mean shit now (Oh, no)
Is this life without you now?
Without you now, now, now (Now, without you now)

Without you now, now, now
(Without you, without you, without you now
Without you, without you)
Without you

[Outro]

I've been up, I've been down (I've been down)
Spent my love in different towns (Spent my love)
All this cash don't mean shit now
Is this life without you now?
