

Compass

Lady A

[Intro]

Alright

[Verse 1]

Yeah, it's been a bumpy road

Roller coasters high and low

Fill the tank and drive the car

Pedal fast, pedal hard

You won't have to go that far

[Pre-Chorus]

You wanna give up 'cause it's dark

We're really not that far apart

[Chorus]

So let your heart sweetheart be your compass when you're lost

And you should follow it wherever it may go

When it's all said and done, you can walk instead of run

'Cause no matter what, you'll never be alone

Never be alone (Oh-oh)

Never be alone (Oh-oh)

[Verse 2]

Forgot directions on your way
Don't close your eyes, don't be afraid
We might be crazy late at night
I can't wait 'til you arrive
Follow stars; you'll be alright

[Pre-Chorus]

You wanna give up 'cause it's dark (Hey)
We're really not that far apart

[Chorus]

So let your heart sweetheart be your compass when you're lost
And you should follow it wherever it may go
When it's all said and done, you can walk instead of run
'Cause no matter what, you'll never be alone
Never be alone (Oh-oh)
Never be alone (Oh-oh)

[Pre-Chorus]

You wanna give up 'cause it's dark (Dark, dark, dark)
We're really not that far apart

[Chorus]

So let your heart sweetheart be your compass when you're lost

And you should follow it wherever it may go
When it's all said and done, you can walk instead of run

'Cause no matter what, you'll never be alone

Never be alone (Oh-oh)

Never be alone (Oh-oh)

[Outro]

When it's all said and done, you can walk instead of run

'Cause no matter what, you'll never be alone
