

# Road to Nowhere

Ozzy Osbourne

I was looking back on my life  
And all the things I've done to me  
I'm still looking for the answers  
I'm still searching for the key The wreck of my past keeps haunting me  
It just won't leave me alone  
I still find it all a mystery  
Could it be a dream? The road to nowhere leads to me Through all the happiness and sorrow  
I guess I'd do it all again  
Live for today and not tomorrow  
It's still the road that never ends  
The wreck of my past keeps haunting me  
It just won't leave me alone  
I still find it all a mystery  
Could it be a dream? The road to nowhere leads to me (Ah ah)  
The road to nowhere's gonna pass me by  
(Ah ah)  
I hope we never have to say goodbye  
I never want to live without you, yeah The wreck of my past keeps haunting me  
(Ah ah)  
It just won't leave me alone  
I still find it all a mystery  
Could it be a dream?  
The road to nowhere leads to me  
The road to nowhere leads to me  
The road to nowhere leads to me  
You got to, you got to, you got to lead to me  
The road to nowhere leads to me  
You got to, you got to, you got to lead to me  
You got to, you got to, you got to lead to me  
Oh, the road to nowhere
