

# Fixin to Thrill

## Dragonette

Oh no  
Who's got you all dressed up in those clothes?  
Said, I don't know  
But you're gonna need some help out of those Oh, you're alright, you're alright, you're alright  
But you smell like your mama is smoke  
So tell her, tell her, you tell her I said hello Oh, we could do it any way you want  
We only like you 'cause you're cute and young  
You gotta work what daddy gave you, son  
Go on and show me that you know how to use it  
And do your duty And get on the floor  
Don't make a fuss, just do it  
Look out I'm fixing to thrill  
We know you're one of us  
What's all the fuss?  
Just do it  
Uh huh  
I'm fixin' to thrill Yeah the girls, the girls they're looking round  
For trouble all sorts  
And the boys, they offer diamonds  
But they're giving them quartz That's alright, it's alright, it's alright  
We'll get you something that you can't get at home  
And your mama, your mama  
She don't know what she don't know So we could do it any way you want  
We only like you 'cause you're cute and young  
You gotta work what daddy gave you, son  
Come on and show me that you know how to use it  
And do your duty  
And get on the floor  
Don't make a fuss, just do it  
Look out I'm fixing to thrill  
We know you're one of us What's all the fuss?  
Just do it  
Uh huh  
I'm fixin' to thrill Yeah, do it  
I'm fixin' to thrill And get on the floor  
Don't make a fuss, just do it  
Look out I'm fixing to thrill  
We know you're one of us What's all the fuss?  
Just do it  
Look out  
I'm fixin', fixin' to thrill And get on the floor  
Don't make a fuss, just do it

Look out I'm fixing to thrill  
We know you're one of us What's all the fuss?  
Just do it  
Look out  
I'm fixin' to thrill
