

# Hooked

Dylan Scott

It was a Friday night  
No cover but the cover band was soundin right  
And there you were  
Just flirty dancin by the neon sign  
To fishin in the dark  
You were reelin in my heart  
Now look at where we are I'm hooked on kissin you gettin  
Gettin you turned on  
Buzzin and lovin on you  
All night long  
Like a hit song  
On the radio  
You already know  
The way it goes  
All it took was a look  
And I was hooked on  
The way that you're takin  
Takin my shirt off  
And runnin my fingers through your  
Long blonde hair fallin in your eyes  
Like the first time they caught mine  
All it took was a look and I was hooked  
It's Saturday  
You're still asleep and I could leave  
But no way  
This ain't a one night thing kinda thing  
I wanna wake you up  
I wanna press my luck  
Land my lips on your cheek  
Like I can't get enough Cause I'm hooked on kissin you gettin  
Gettin you turned on  
Buzzin and lovin on you  
All night long  
Like a hit song  
On the radio  
You already know  
The way it goes  
All it took was a look  
And I was hooked on  
The way that you're takin  
Takin my shirt off  
And runnin my fingers through your

Long blonde hair fallin in your eyes  
Like the first time they caught mine  
All it took was a look and I was hooked  
You got me hooked on kissin you gettin  
Gettin you turned on  
Buzzin and lovin on you  
All night long  
Like a hit song  
On the radio  
You already know  
The way it goes  
All it took was a look  
And I was hooked on  
The way that you're takin  
Takin my shirt off  
And runnin my fingers through your  
Long blonde hair fallin in your eyes  
Like the first time they caught mine  
All it took was a look and I was hooked
