O'Lord

Lauren Daigle

[Verse 1]

Though at times it seems like I'm coming undone This walk can often feel lonely No matter what until this race is won I will stand my ground where hope can be found I will stand my ground where hope can be found

[Chorus]

Oh!

O'Lord, O'Lord I know You hear my cry Your love is lifting me above all the lies No matter what I face this I know in time You'll take all that is wrong and make it right You'll take all that is wrong and make it right

[Verse 2]

Your strength is found at the end of my rope Your grace it reaches to the hurting Still through the tears and the questioning why I will stand my ground where hope can be found I will stand my ground where hope can be found

[Chorus] Oh!

O'Lord, O'Lord I know You hear my cry Your love is lifting me above all the lies No matter what I face this I know in time You'll take all that is wrong and make it right You'll take all that is wrong and make it right Make it right (right, so right) Make it right, right (right, so right)

[Bridge]

I will stand my ground, I will stand my ground I will stand my ground where hope can be found I will stand my ground where hope can be found

[Chorus] O'Lord O'Lord I know You hear my cry Your love is lifting me above all the lies No matter what I face this I know in time You'll take all that is wrong and make it right (take what is wrong) You'll take all that is wrong and make it right (right, so right) Make it right (right, so right) Make it right, right (right, so right)
