

# The Girl Gets Around

Sammy Hagar

Well, she'd like you to think she was born yesterday  
With her innocent looks and her little town ways  
When she smiles at me, she's got angels in her eyes But I've seen how she moves and this girl  
really cooks  
She taught me some tricks you can't learn in books  
And I'm starting to think there's a devil there inside, oh yeah Well, I'm not just a boy who  
believes what he sees  
But she's got a kiss, bring me down to my knees  
Over and over, I never get my fill, oh no And she's tryin' to talk like she's pure as snow  
She blushes a lot, but she'll never say no  
When her motor is running, this girl don't sit still The girl gets around  
And she knows what she likes  
I got what she needs, wooh  
And one of these nights  
Yeah, we'll both make our moves  
Yeah, we'll cover some ground  
The girl gets around, around, around, around, around, around  
Good God, this girl gets around Wow, this girl gets around  
She knows what she likes, huh  
I got what she needs, ooh  
And one of these nights We'll both make our moves  
Yeah, we'll cover some ground, wooh  
The girl gets around, around, around, around, around 'round 'round  
Good God, this girl gets around Yeah, she knows what she likes  
And I got what she needs  
Oh, one of these nights  
Yeah, we'll both make our moves  
Yeah, we'll cover some ground  
The girl gets around, around, around, around, around, around  
Good God, this girl gets around
