

# Don't Let Me Be Lonely

## The Band Perry

I need a saving grace  
A hiding place  
I don't have forever or time to waste  
So don't let me be lonely I wanna shake this winter coat off my sleeve  
Dust off a record and just be free  
Oh don't let me be lonely  
No don't let me be lonely When you're young  
You can fly  
But we trip on clouds 'cause we get too high  
We grow up  
And then it's gone  
Oh God only knows what we'll become  
So don't let me be, let me be, let me be lonely tonight  
While we're young and alive  
Take the keys to my car and the keys to my heart and just drive  
Oh don't let me, let me be lonely Well the night rolls on like a long lost friend  
'Til the sunrise bleeds like the bitter end  
Don't let me be lonely Well there's nothing to hide and nothing to prove  
Give me all that you are  
You've got nothing to lose  
Just don't let me be lonely  
No don't let me be lonely So don't let me be, let me be, let me be lonely tonight  
While we're young and alive  
Take the keys to my car and the keys to my heart and just drive  
Oh don't let me, let me be lonely  
No  
Don't let me be When you're young  
Life's a dream  
It's a beautiful and a burning thing  
We grow up  
And then it's gone  
But the memory goes on and on and on and on and on and on and on Don't let me be, let me be,  
let me be lonely tonight  
While we're young and alive  
Take the keys to my car and the keys to my heart and just drive  
Oh don't let me, let me be lonely  
Don't let me be lonely  
Don't, don't let me be lonely No  
Don't let me be  
Ooh, lonely
