

Way Too Pretty for Prison (with Maren Morris)

Miranda Lambert

[Verse 1: Miranda Lambert]

They don't have rhinestone ball and chains
Lunch? trays don't come with Chardonnay
The? bars there ain't got boys to buy us drinks
We'd stick out like two bottled blondes
I must admit it don't sound fun

For? fifteen girls to have to share one sink[Pre-Chorus: Miranda Lambert]

He? cheated, he's a villain

And you know I'd help you kill him[Chorus: Miranda Lambert and Maren Morris]

But? we're way too pretty for prison
Hard time ain't our kind of livin'
And I don't want to talk about
The way those jumpsuits wash us out
We're? way too pretty for prison

[Verse 2]

Antifreeze and Gatorade
Arsenic in his lemonade

Takes just one snip to bleed his brakes
But we ain't gonna do it (She ain't gonna do it)

Yeah, we've been watching too much TV

You ain't Thelma, I ain't Louise

But if we ask 'em they'd both agree

We should put him through it (Don't put him through it)[Pre-Chorus: Miranda Lambert]

He cheated, he's a villain

So let's hire somebody to kill him[Chorus: Miranda Lambert and Maren Morris]

'Cause we're way too pretty for prison

Hard time ain't our kind of livin'

And I don't want to talk about

The way those jumpsuits wash us out

We're way too pretty for prison

La de da da da (La de da da da)

La de da da da (La de da da da)

La de da da, la de da da, la de da da da[Bridge: Miranda Lambert & Maren Morris]

Well, the state won't pay for lash extensions

No Sun Tan City, not to mention

That lack of waxing situation

Oh, no[Chorus: Miranda Lambert and Maren Morris]

'Cause we're way too pretty for prison

Hard time ain't our kind of livin', no

And I don't want to talk about

The way those jumpsuits wash us out
We're way too pretty for prison La de da da da (La de da da da)
La de da da da (La de da da da)
La de da da, la de da da, la de da da da La de da da da
La de da da da
La de da da, la de da da, la de da da da
