Welcome to the Black Parade

My Chemical Romance

When I was a young boy
My father took me into the city
To see a marching band
He said, "Son, when you grow up
Would you be the saviour of the broken
The beaten and the damned?"He said, "Will you defeat them
Your demons, and all the non-believers
The plans that they have made?"
"Because one day I'll leave you
A phantom to lead you in the summer
To join The Black Parade"
When I was a young boy
My father took me into the city
To see a marching band
He said, "Son, when you grow up
Would you be the saviour of the broken
The beaten and the damned?"Sometimes I get the feeling she's watching over me
And other times I feel like I should go
And through it all, the rise and fall, the bodies in the streets
And when you're gone, we want you all to knowWe'll carry on
We'll carry on
And though you're dead and gone believe me
Your memory will carry on
You'll carry onAnd in my heart I can't contain it
The anthem won't explain it
A world that sends you reeling from decimated dreams
Your misery and hate will kill us all
So paint it black and take it back
Let's shout it loud and clear
Defiant to the end we hear the callTo carry on
We'll carry on
And though you're dead and gone believe me
Your memory will carry on
We'll carry onAnd though you're broken and defeated
Your weary widow marchesOn and on we carry through the fears
Oh, oh, oh
Disappointed faces of your peers
Oh, oh, oh
Take a look at me cause I could not care at allDo or die, you'll never make me
Because the world will never take my heart
Go and try, you'll never break me
We want it all, we wanna play this part

I won't explain or say I'm sorry
I'm unashamed, I'm gonna show my scar
Give a cheer for all the broken
Listen here, because it's who we are
I'm just a man, I'm not a hero
Just a boy, who had to sing this song
I'm just a man, I'm not a hero
I don't careWe'll carry on
We'll carry on
And though you're dead and gone believe me
Your memory will carry on
You'll carry onAnd though you're broken and defeated
Your weary widow marches onDo or die, you'll never make me
Because the world will never take my heart
Go and try, you'll never break me
We want it all, we wanna play this part (We'll carry on)
Do or die, you'll never make me (We'll carry on)
Because the world will never take my heart (We'll carry on)
Go and try, you'll never break me (We'll carry)
We want it all, we wanna play this part (We'll carry on)
