

# Just Another Day

## Sam Cooke & The Soul Stirrers

Just another day that my Lord, my Lord has kept me, yes it is  
Just another day that I've been in my saviour's care, yes it is  
Wanna say he threw, he threw his loving arms all around me, yes he did  
And there I found, I found peace and joy right there Another day, I've been working in Gods  
vineyard, oh yeah  
Another day, you know it kept me by your side, oh yeah  
He said I know just how hard you've been laboring, mm hmm  
He said I want you to sit down and rest a while Well, when I get on home in my God's kingdom,  
oh yeah  
I'm gonna sit down, I'm gonna sit down all around the throne, oh Lord  
And he'll be there, be there with arms spread wide open, yes he will  
I'm gonna hear him say, my servant welcome home, oh Lord  
Another day, I've been working in Gods vineyards, yes I have  
Another day, you know it kept me by your side, oh yeah  
He said I know just how hard you've been laboring, mm hmm  
He said I want you to sit down and rest a while
