

# Bittersweet

## Big Head Todd & The Monsters

A little light looks through her bedroom window

She dances and I dream, she's not so far as she seems

Brighter meadows, melting sunsets her hair blowing in

the breeze

She can't see me watching

Thinking.. ladaaa aa lada

It's bittersweet more sweet than bitter

Bitter than sweet

It's a bittersweet surrender

It's bittersweet more sweet than bitter

Bitter than sweet

It's a bittersweet surrender

Said, "I'm older now" I work in the city we live

together

But it's different than my dream

Morning light fills the room I rise and she pretends

she's sleeping

Are we everything we wanted?

I'm thinking... ladaaa aa a lada aaa

It's bittersweet more sweet than bitter

Bitter than sweet

It's a bittersweet surrender

It's bittersweet more sweet than bitter

Bitter than sweet

It's a bittersweet surrender

I said, I know we don't talk about it

We don't tell each other all the little things we need

We work our way around each other

As we tremble and we, as we tremble and we bleed

As we tremble and we, as we tremble and we bleed

It's bittersweet more sweet than bitter

Bitter than sweet

It's a bittersweet surrender

It's bittersweet more sweet than bitter

Bitter than sweet

It's a bittersweet surrender
