

A Thousand Miles (feat. Alex Goot)

Boyce Avenue

Making my way downtown, walking fast
Faces pass and I'm home bound
Staring blankly ahead, just making my way
Making a way through the crowd
And I need you
And I miss you
And now I wonder
If I could fall into the sky
Do you think time would pass me by?
'Cause you know I'd walk a thousand miles
If I could just see you tonight
It's always times like these when I think of you
And I wonder if you think of me
'Cause everything's so wrong and I don't belong
Living in your precious memory
And I need you
And I miss you
And now I wonder
If I could fall into the sky
Do you think time would pass me by
'Cause you know I'd walk a thousand miles
If I could just see you tonight
And I, I don't wanna let you know
I, I drown in your memory
I, I don't wanna let this go
I, I don't
Making my way downtown, walking fast
Faces pass and I'm home bound
Staring blankly ahead, just making my way
Making a way through the crowd
And I still need you
And I still miss you
And now I wonder
If I could fall into the sky
Do you think time would pass us by?
'Cause you know I'd walk a thousand miles
If I could just see you
If I could fall into the sky
Do you think time would pass me by?
'Cause you know I'd walk a thousand miles
If I could just see you

If I could just hold you tonight
