

Afterlife

Switchfoot

[Verse 1]

I've tasted fire I'm ready to come alive
I can't just shut it up and fake that I'm alright
I'm ready now
I'm not waiting for the afterlife

Let it burn the way the sunlight burns my skin
The way I feel inside, the way the day begins
I'm ready now
I'm not waiting for the other side
I'm ready now
I'm ready now

[Chorus 1]

Everyday
The world is made
A chance to change
But I feel the same

And I wonder why
Would I wait till I die
To come alive?
I'm ready now
I'm not waiting for the afterlife

[Verse 2]

I still believe we could live forever
You and I we begin forever now
Forever now
Forever
I still believe in us together
You and I we're here together now
Forever now
Forever now
Or never now

[Chorus 1]

[Chorus 2]

Everyday

A choice is made
Everyday
I choose my fate

And I wonder why
Would I wait till I die
To come alive?
To come alive?

[Outro]
Everyday
Everyday
Everyday
I still feel the same

And I wonder why
Would I wait till I die
To come alive?
To come alive?

I'm ready now
I'm not waiting for the afterlife

I'm ready now
I'm ready now
I'm ready now
I'm ready now

I'm ready now
I'm not waiting for the afterlife
