And I'd have seen ren fuckin bitches from howard
And I'd have seen snoop give away eddie bauer's
So fuck jerry heller and the white superpowers

The saga continues, with the worlds most dangerous group
Four deep in the coup

 A pencil, a pen, or a glock
 Im the original, subliminal, subterranean
 Titanium, criminal minded, swift
 D-r-e with that fuck a bitch shit (fuck a biatch)
 A couple o' notes and get you hog-tied in rope
 Dope like tons of coke, cutthroat
 You don't want the pistols to whistle
 Candy paint impala
 I make hoes pop collars
 God damn hoes, here we go again
 Fuckin with ren, playin' to win
 (he got the) coke in hand, (I got the) juice and gin
 Same shit you was fuckin wit way back then
 We keep it crackin' from the actin to the jackin
 G'ed up c'ed up motherfucker blaze the weed up
 We all on deck fool so put your heat up
 I stay on deck so me don't get wet
 Look my nigga, we can scatter like buckshots
 Let's get together, make a record, why the fuck not?
 why the fuck not?
 why the fuck not?
 why the fuck not?
 cause I'm tight as the night
 I had to wipe activator off the mic, in 1985
 (n n, dup dup, dup double u, a a, a a)
 Real niggaz, biatch, you know, ha hah
 We cause tragedy, erratically
 Systematically, in your house without a key
 How fucked up that'd be
 Gat'll be near your anatomy, my form of flattery
 Assault and battery, cus we coming with that
 street mentality
 Straight west coast rider academy
 Concrete nigga, that's my reality
 we tend to bus' on niggaz that get mad at me
 was it a bitch in the mix
 well it had to be
 Lying tricks told them dicks I had a key
 Hoes make the world harder than it have to be
 (yea thats right)
 I'ma smoke where I wanna smoke (fuck that)
 I'ma choke who I wanna choke (fuck that)
 I'ma ride where I wanna ride (fuck that)
 Cause i'ma nigga 4 life, so i'ma nigga til I diz-ie
 I'ma smoke where I wanna smoke (fuck that)
 I'ma choke who I wanna choke (fuck that)
 I'ma ride where I wanna ride (fuck that)
 Cause i'ma nigga 4 life, so i'ma motherfuckin nigga til I diz-ie

n n, dup dup, dup double u, a a, a a
