

Do My Thing (feat. Janelle Monáe)

Estelle

[Featuring: Janelle Monae] Hey hey hey hey
Hey hey hey hey
Hey hey hey hey
Hey hey hey hey I wear my clothes like this because I can
I wear my hair like this because I can
I walk around like this because I can
And I do my thing like this is who I am
If you are expecting me to give you an apology
For being nothing like you used to used to
Hold your way hold your breath and concentrate
Keep holding till your face turns blue
My burning, we just don't know just where i am going
My flow it ain't your flow, just I know, just how I'm flowing
I do my thing I do my thing
Please feel free to hate everything
Said Ima do my thing
I do my thing I do my thing
Say what you want cause this one ain't gonna change
I do my thing I do my thing
Ha ha ha ha ha ha I can't wear my clothes like you because i am not
I can't do my hair like you because I am not
I can't walk around like you because I am not
I can't do my thing like you well that just ain't hot
And If you are expecting me to give you an apology
For being nothing like you used to used to
I held your way hold your breath and concentrate
Keep holding till your face turns blue
My road, it ain't your road, but just don't know just where i'm going
My flow it ain't your flow, just I know, just how I'm flowing
I do my thing I do my thing
Please feel free to hate everything
Said Ima do my thing
I do my thing I do my thing
Say what you want cause this one ain't gonna change
I do my thing I do my thing
Ha ha ha ha ha ha You don't know where i am going so you think i am lost
I ain't on your page, ok so to you that means I'm lost
When I am dancing I am dancing to the beat of a drummer you don't hear and you can't see
So if i look offbeat to you, well the problem must be you not me
Irregular irrelevant unusual but never uncool
You're not call for my close
You never get me, I don't get you

Either A believer of the fact
That unique equals love
So I won't go into the vast with you
Open your mind and speed up My road, it ain't your road, but just don't know just where i'm
going
My flow it ain't your flow, just I know, just how I'm flowing
I do my thing I do my thing
Please feel free to hate everything
Said Ima do my thing
I do my thing I do my thing
Say what you want cause this one ain't gonna change
I do my thing I do my thing
Ha ha ha ha ha ha
