

# Deleter

## Grouplove

1, 2, 3, go Yeah, your carwash And your airplanes, and the highways  
We've been here for too long, for too long  
Am I anxious  
Or just martyred? All this darkness  
Been going on too long, for too long  
Yeah, yeah, yeah All this time I thought you were a leader  
It turns out you only a deleter  
Tell your friends that you're okay  
You're never gonna see them anyway  
All this time I thought you were a leader  
It turns out you're only a deleter  
No, no, no, no  
Na-na-na-na-na-na-na-na no  
No, no  
Yeah, yeah  
It's the future and I'm braindead  
Yeah, I'm destitute, yeah, I feel no roots anymore, anymore  
Take another picture (Picture)  
Show 'em what you're doing (Doing)  
And how we built a lighthouse  
Out of all these godforsaken ruins  
We know it's coming  
None of this can live  
The world will recover  
Once you put us in the past, yeah All this time I thought you were a leader  
It turns out you only a deleter  
Tell your friends that you're okay  
You're never gonna see them anyway  
All this time I thought you were a leader  
It turns out you're only a deleter  
No, no, no, no  
Na-na-na-na-na-na-na-na no  
No, no  
Yeah, yeah  
I don't know  
Where to go  
Bring the pain  
Bring the pain, my brain's dead  
I just know, I know you gonna let me out  
So bring the pain  
Nothing really matters anymore my baby All this time we're burning with the fever  
It turn out I've always been a healer

No, no, no, no  
Na-na-na-na-na-na-na-na-na no  
All this time I thought you were a leader  
It turns out you only a deleter  
No, no, no, no  
Na-na-na-na-na-na-na-na-na no  
No, no  
Yeah, yeah
