

Wow, I'm Not Crazy

AJR

[Chorus: Jack Met]

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk, it's like, "Wow, I'm not crazy"
(Yep, yep, yep, yep)

[Verse 1: Jack Met]

Don't kill me 'cause I'm just the messenger
I already went and took my temperature
And I'm not sick, I took all my vitamins
Yeah, I'm not sick, I'm just kinda different

[Pre-Chorus: Jack Met]

Oh, different, so different
They tell us to be different
But no one told me I could go too far
(Yep, yep, yep, yep)

[Chorus: All]

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk, it's like, "Wow, I'm not crazy"
Frankly, I feel insane
But you say you feel the same
And suddenly, it's like, "Hey, I'm not crazy"
'Cause when you talk, it's like, Wow, I'm not crazy"
(Yep, yep, yep, yep)

[Verse 2: Jack Met]

Don't kill me 'cause I'm just the messenger
I've never seen someone quite this strange before
You're just like me, you took all your vitamins
You're just like me and you take delight in it

[Pre-Chorus: Jack Met]

Oh, different, so different
They tell us to be different
But no one told me I could go too far
(Yep, yep, yep, yep)

[Chorus: All]
Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk, it's like, "Wow, I'm not crazy"
Frankly, I feel insane
But you say you feel the same
And suddenly, it's like, "Hey, I'm not crazy"
'Cause when you talk, it's like, "Wow, I'm not crazy"
(Yep, yep, yep, yep)

[Bridge: Jack Met]
When you talk, it's like, "Wow"
(Yep, yep, yep, yep)
When you talk, it's like, "Wow"
(Yep, yep, yep, yep)
When you talk, it's like, "Wow"
When you talk, it's like, "Wow"
When you talk, it's like, "Wow"
Yeah, when you talk, it's like, "Wow"

[Outro: All]
Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk, it's like, "Wow, I'm not crazy"
(Yep, yep, yep, yep)
