

Too Little Too Late (2018)

JoJo

Come with me
Stay the night
You say the words but boy it don't feel right
What do you expect to me to say
You know it's just too little too late
You take my hand
And you say you've changed
But boy you know your begging don't fool me
Because to you it's just a game
You know it's just too little too late
So let me go now
'Cause time has made me strong
I'm starting to move on
I'm gonna say this now
Your chance has come and gone
And you know It's just too little too late A little too long
And I can't wait
But you know all the right things to say
You know it's just too little too late
You say you dream of my face
But you don't like me
You just like the chase
So be real
It doesn't matter anyway You know it's just too little too late
Yeah yeaahhhh
It's just too little too late Mhmmm
I was young And in love
I gave you everything
But it wasn't enough
And now you wanna communicate
(You know it's just too little too late)
Go find someone else
And letting you go
I'm loving myself You got a problem
But don't come asking me for help
'Cause you know
It's just too little too late A little too long
And I can't wait
But you know all the right things to say
You know it's just too little too late
You say you dream of my face
But you don't like me You just like the chase

So be real
It doesn't matter anyway
You know it's just too little too late
I can love with all of my heart, baby I know I have so much to give (I have so much to
give) With a player like you I don't have a prayer
That's the way to live
Ohhhh mmm nooo
It's just too little too late
Yeaahhhh
It's just too little too late A little too long
And I can't wait
But you know all the right things to say
You know it's just too little too late You say you dream of my face
But you don't like me You just like the chase So be real
It doesn't matter anyway
You know it's just too little too late
You know it's just too little too late You know it's just too little too late
I can't wait
It's just too little too late
A little too long
And I can't wait
But you know all the right things to say
You know it's just too little too late
You say you dream of my face
But you don't like me
You just like the chase
