

In the Basement (feat. Kelly Clarkson)

Martina McBride

Oh, tell me where can you party, child, all night long?
In the basement, down in the basement, yeah.
Oh where can you go where your money gets low?
In the basement, down in the basement
And if a storm is taking place, you can jam and still be safe
In the basement, down in the basement, yeah, yeah, yeah, yeah Where can you dance to any
music you choose?
In the basement, down in the basement
Oh, you got the comforts of home, a nightclub too
In the basement, down in the basement
There's no cover charge or fee and the food and drinks are free,
In the basement, down in the basement Where they don't, where they don't check your age at the
door
In the basement, down in the basement
Barracuda and jerk til your feet get sore
In the basement, down in the basement
Do any dance you want to do, there's no one under you
In the basement, down in the basement
In the basement, that's where it's at
That's where it's at
In the basement, oh in the basement
